IN DETAIL:

After a successful playing career, earning 57 caps for England and over 500 club appearances, Southgate transitioned to management, starting with Middlesbrough before rising to national prominence as England manager. Appointed in 2016, he led England to the semi-finals of the 2018 FIFA World Cup and the final of UEFA Euro 2020, their first major final in 55 years. He also guided the squad through UEFA Euro 2024, once again reaching the final and reinforcing his legacy as one of the most successful England managers of the modern era. Southgate is known not only for his footballing intelligence but for building a positive team culture and encouraging personal growth, accountability, and humility among players. His tenure transformed the perception of the national team, earning admiration across sports and business communities alike.
