- Successful Digitization: Don't Survive, Thrive!

LANGUAGES:

He presents in English.

PUBLICATIONS:

- 2022** Catching Giants: World-beating business lessons from the small team with a big dream that took on the world and won
- 2017** Inspired Leadership – How you can Achieve Extraordinary Results in Business

IN DETAIL:

A corporate trailblazer, serial entrepreneur and world class team builder, he is renowned for leading iconic brands Porsche, Lamborghini and BMW from difficulty to record results. As a founder, CEO and chairman Kevin has enjoyed huge success in sectors including data, technology, manufacturing, brand marketing and professional services. He has repeatedly led teams to achieve extraordinary performance in companies ranging from 7 to 7,000 employees. Together they have created over \$5 billion in shareholder value and won awards at national and global levels. Today he remains actively involved in numerous businesses worldwide, as both an investor and founder, including the UK's fastest-growing alternative fibre network provider.

WHAT HE OFFERS YOU:

Known as 'the man who fixes companies', Kevin's presentations focus on his successful approach in guiding multiple companies to outstanding achievements. Kevin provides practical tools and strategies for overcoming challenges and improving businesses whilst tailoring his keynotes and masterclasses to suit each client's unique needs.

HOW HE PRESENTS:

A natural communicator, Kevin has the ability to build and motivate a management team and enthuse and engage staff at all levels within an organisation.
