LANGUAGES:

She presents in English.

IN DETAIL:

Lovelda has introduced and facilitated conversations with heavyweights including the legendary Olympian Carl Lewis, Monica Lewinsky, Kunal Nayyar (Big Bang Theory), Paul Polman (Former Unilever CEO) and Margrethe Vestager (European Commissioner for Competition). She is also the consistent face of prominent events including the ChangeNow Summit, the world's largest conference on positive impact. Born in the Caribbean, developed in Papua New Guinea and refined in the United Kingdom, Lovelda is a natural chameleon with a unique internationally neutral accent, and cultural adaptability that makes her perfect for multi-national audiences.

WHAT SHE OFFERS YOU:

When it comes to elevating events to truly memorable and impactful experiences, Lovelda's attention to detail, magnetism and infectious energy make her stand above the rest. Her extensive experience means she understands the importance of commanding the audience's attention right from the get-go so that they are fully engaged.

HOW SHE PRESENTS:

Lovelda brings energy, professionalism and a structured approach to any event. She is truly an event organisers secret weapon.
